

參觀大自然教育中心

作者：許昶暘

班別：三愛

A vibrant illustration of a boy and a teacher in a butterfly museum. The boy, with dark hair and a white shirt with blue trim, is in the foreground, looking up at a display case filled with various butterflies. He has his hands pressed against the glass, looking fascinated. The teacher, a man with brown hair in a light blue shirt, stands in the background, pointing at a display case. The museum is filled with wooden display cases containing numerous butterflies of different colors like orange, blue, and pink. Large windows in the background show a bright, sunny day with green foliage outside. The scene is warm and educational.

今天早上，李老師帶領我和同學們到大自然教育中心參觀，我感到很興奮。
到達大自然教育中心後，一走進大門，首先映入眼簾的是昆蟲館，館內展示了各種昆蟲標本。老師邊介紹不同種類的昆蟲，邊講解昆蟲的習性。

接着，我們穿過小食亭來到了果園和田園區。
田裏耕種着各式各樣的蔬菜和水果，香氣撲鼻，令人垂涎欲滴。
心想：要是能摘來品嚐，一定很美味。

最後，我們走到了鳥湖區和溫室區，
裏面栽培着各種熱帶植物，充滿生機。
這次的活動既有趣又有意義，真令我大開眼界。
